

Virtual Office Hours

CAPC members should attend Virtual Office Hours for “just in time,” small-group access to leading subject-matter experts.

Whether you’re trying to improve billing practices or implementing palliative care in a community-based setting, there’s a session for you.

Experts from a variety of settings will work directly with you on your specific challenges and issues.

These regularly scheduled conference calls provide a high-quality method for gaining answers to complex questions.

VIRTUAL OFFICE HOURS (SELECTED LIST)

Virtual Office Hours are an important way for members to:

Take advantage of personalized advice and interaction with faculty

Benefit from a high-quality, efficient alternative to email for answering complex questions

Streamline communications and problem-solving

Hear from other CAPC members who have shared interests and challenges

Log in to CAPC Central™ and sign up today.

Space is limited.
