RESOURCES

→ **COVID-19 Response Toolkit**: Crisis symptom management and communication protocols for all clinicians, and palliative care team tools for responding to COVID-19.

→ **Virtual Office Hours**: Small-group virtual conversations to share COVID-19 coping strategies, including telehealth practices, patient/family communication, and palliative care team strategies.

→ **CAPC COVID-19 Feedback Form**: Share tools, policies, or ideas that your team has found helpful. CAPC will add new resources to our toolkit.
